Dear Mr. Ryan:

Subject: Proposal for Development of Parcel 907, South End,
Corner East Berkeley and Harrison Avenue

Pursuant to the instructions from your assistant,
Paul McCann, I am submitting a proposal for the development
of the property at the corner of Harrison Avenue and East
Berkeley Street as indicated on the enclosed plans.

To the rear of this parcel, there is a very narrow
private alley which is not adequate for vehicles, especially
trucks, to enter and swing into the garage. In order to
develop this parcel properly, and provide adequate access
to and from the property for loading and parking, it would
be necessary to add on a strip of land from the adjacent vacant
parcel approximately ^{18 x 30} 15 ft. totaling ⁵⁴⁰ 750 ft. of actual land.

From my own personal observations, and from the
comments I have received from the BRA staff, it seems fairly
clear that the deleting of this strip of land from the adja-
cent parcel will not affect the overall developability of
the adjacent parcel.

I would appreciate as early attention as possible
from you because, as you know, I am under an eviction notice
from my present quarters.

Thank you for past consideration.

Very truly yours,

Michael J. Griffin

MEMORANDUM

Tabled: NOVEMBER 13, 1980

TO: BOSTON REDEVELOPMENT AUTHORITY

FROM: ROBERT J. RYAN, DIRECTOR

SUBJECT: SOUTH END URBAN RENEWAL AREA, PROJECT NO. MASS. R-56
TENTATIVE DESIGNATION OF REDEVELOPER
GRIFFIN ELECTRIC CORP., PARCEL SE-97,
149-151 EAST BERKELEY STREET

SUMMARY: This memorandum requests that the Authority tentatively designate Griffin Electric Corp. as redeveloper of Parcel SE-97 in the South End Urban Renewal Area.

Parcel SE-97 consists of 2,639 square feet of land with a one-story brick commercial structure on this site in the South End Urban Renewal Area.

The submitted proposal calls for the rehabilitation of a one-story commercial brick structure for offices and for a small electrical display showroom. The tentative designation will also cover a small strip of vacant land of approximately 540 square feet which Griffin Electric will be given an easement over in conjunction with others in order to provide adequate shipping access to the 149-151 East Berkeley Street site for shipping and receiving.

Griffin Electric Corp., of 576 Tremont Street, has been providing service to the community since 1925. For the past thirty years, this business establishment has been doing business with the City of Boston, Parks and Recreation Dept., School Dept., Public Buildings, and the New England Telephone Company. Due to the Griffin Electric Corp.'s past experience of being relocated five different times in the South End area, the redevelopment of 149-151 East Berkeley Street will enable this entity to remain in the South End and continue to provide needed services.

The building will be rehabilitated as one story brick commercial structure at an estimated cost of \$30,000. The financing will be provided through a private institution.

It is, therefore, recommended that the Griffin Electric Corp. be tentatively designated as redeveloper of Parcel SE-97 in the South End Urban Renewal Area.

An appropriate resolution is attached.
